

Dear Families,

It seems very strange to welcome you and your children back for a new term when we are not all together. We've all had to adapt to new ways of working, and I want to take this opportunity to thank you all for helping us to keep everyone safe. This isn't easy and we appreciate how challenging this is for families.

We are missing you all and we can't wait to see you all when things become safer. As you know we have to follow Government advice, so we cannot set any dates to when we think school and college will return back to normal. In the meantime we are continuing to provide care for some children of key workers as long as their health needs do not make them really vulnerable to this virus.

We appreciate there have been issues with the Free School Meal vouchers. Although we have placed orders for supermarket vouchers there is currently a backlog in fulfilling these orders due to high demand. We are hoping that this will be rectified very soon.

We hope you have found the work packs useful that teachers have provided and we will continue to provide these whilst we all work remotely. We have really loved seeing some of the work the children have been doing via our Facebook page. Please keep these photos coming. It's a lovely way for us all to stay connected. We are working on our COVID section of our website where we will continue to post useful links and resources. Teachers will continue to make weekly phone calls so if you have any concerns please raise these with your children's class teachers and we will do our best to help.

Stay Safe everyone

Kindest Regards,

Mrs Greig

Interim CEO
