

Education

Rachel

Rachel Black attended Springwell Primary School and progressed to Catcote Academy. She always wanted to work in the childcare sector and had excellent skills and qualities to enable her to do this. She initially carried out internal work experience as classroom support within Catcote Academy, progressing onto a Supported Internship Programme through our Steps Programme, on placement at Springwell Primary School. They were so impressed with Rachel's positive attitude that they offered her a part-time permanent position as a Lunchtime Supervisor.
