

Hospitality and Catering

Chris

Chris attended Catcote Academy where he studied Catering. He initially gained work experience internally in the School Coffee Shop and then worked in Catcote Academy's Vestry Café. Chris showed a real flair and talent in this sector, so much so that he successfully completed an apprenticeship where he gained his NVQ2 in Hospitality and Catering and food hygiene certificates. As a result of his hard work and determination Chris was offered a permanent post at Catcote Academy as Coffee Shop Manager. He continually inspires and mentor's other students to achieve their full potential.
